ITE1133 FROM CHAOS TO CONTROL DEC 2A Hello fellow school counselors today I'm presenting to you Managing academic events, room bookings, and extracurricular activities often feels like juggling a nonstop torrent of emails and spreadsheets. A dedicated calendar content management system (CMS) can transform that chaos into a coordinated schedule, giving administrators, teachers, and students a single source of truth for every deadline and activity. Most schools rely on a patchwork of tools—Google Sheets for exam timetables, email threads for parent-teacher meetings, and ad-hoc notices on bulletin boards for club events. This fragmented approach creates three key problems: Information silos: Important dates live in different places, leading to missed deadlines. Manual updates: Changing a single event often requires editing multiple documents, increasing the risk of errors. Lack of visibility: Students and parents cannot easily see the full
